

The editor of *Life: The Excitement of Biology* holding an adult *Hyalophora cecropia* Linnaeus (Insecta: Lepidoptera: Saturniidae: Saturniinae: Attacini), the largest native moth in North America. Photograph taken by Kelsey Frey at Nixon Park on Monday, June 13, 2022

Index for Volume 9 (2021) of *Life: The Excitement of Biology*

Jorge A. Santiago-Blay¹

This index includes topic and authors (alphabetized by last name) of every paper published in *Life: The Excitement of Biology* volume 9. The first number of an entry indicates the volume followed (parenthetically, by the issue) and the first page of the corresponding paper. For example, deer movement is emphasized on 9(3):87. This means, that the interested reader should look for information on deer movement beginning on page 87 located in third issue of *Life: The Excitement of Biology*, volume 9.
