Index for Volume 10 (2022) of *Life: The Excitement of Biology*

Jorge A. Santiago-Blay¹

This index includes topic and authors (alphabetized by last name) of every paper published in *Life: The Excitement of Biology* volume 10. The first number of an entry indicates the volume followed (parenthetically, by the issue) and the first page of the corresponding paper. For example, Nathan Leopold is emphasized on 10(2):139. This means that the interested reader should look for information on Nathan Leopold beginning on page 139 located in the second issue of *Life: The Excitement of Biology*, volume 10.
